

Mercer County Conservation District's

Miracle of Butterflies

Tuesday, August 15th

TIME
8-11:30 AM

Come join us as we celebrate and discover the miracle of butterflies. We will explore the unique life cycle of a butterfly by designing a cool pasta craft. We will then have the students help us search the fields for the famed Monarch caterpillars that they can take home to raise. We will end the program with a pollination snack. Be sure to dress in long pants and shoes for the fields.

AGES 5-7

Cost: \$5 per class, please pre-register by the Monday before.
