Camp Highlights

- ❖ Tuesday, June 18th(9:00 AM to noon) **Bow Basics/ Bow Safety**
 - The camp will begin with a history of archery and its significance through history. The students will then learn about the major components of the bow. They will also be introduced to the tools that are included in archery such as the release and arrow. The students will learn about the proper precautions and safety requirements to be followed when handling a bow.
- ❖ Wednesday, June 19th (9: 00 AM to noon) **Bow Handling/ Shooting Practice**
 - The students will be provided with Munnell Run Farm’s bows and arrows. The basics of shooting will be discussed and shooting practice will begin. The students will learn about scoring paper vs 3D targets. An individual paper competition will end this segment of the camp.
 - Participants will also learn about the role that archery plays into conservation. They will also learn about many of the different animals in the PA woods.
- ❖ Thursday, June 20th (9:00 AM to 1:00 PM) **Western Reserve Visit**
 - *Note: Transportation is provided on this day.*
 - The participants will spend some time reviewing how to shoot and getting practice in. A group paper animal competition will occur.
 - Lunch will be provided for all participants and an awards assembly will follow at the conclusion of the camp. The district will provide the main dish as well as drinks, plates, and napkins, etc. We ask that all participants bring a side dish.
- ❖ Friday, June 21st (10 AM to 12:noon) **Gold-N-Grain Visit**
 - **Note: Camp will start at the shop. Address: 75 McCullough Rd, Sharpsville, PA 16150**
 - Students will have the opportunity to go to an actual archery shop to see what they have to offer beginners. They will learn about the leagues, JOAD, etc that give them opportunities to link in. They will have opportunity to shoot an indoor paper competition.
